

**Published in conjunction with the exhibition Ilya & Emilia Kabakov:
The Center of Cosmic Energy at the Tufts University Art Gallery
Medford, MA / September 6-November 11, 2007**

Published by the Tufts University Art Gallery, Medford, MA / Distributed by Distributed Art Publishers, New York, NY

Mission Statement

The Tufts University Art Gallery animates the intellectual life of the greater university community through exhibitions and programs exploring new, global perspectives on art and on art discourse.

The Gallery fosters critical dialogue through exhibitions and programs that explore fresh interpretations and scholarship on art, that provide a forum for art produced internationally by emerging and mid-career artists, and that feature new work of established artists.
